EDUCATION

University of North Carolina at Chapel Hill – Chapel Hill, NC

Expected May 2028

Computer Science (BA) Major; Communication Studies (BA) Second Major; Creative Writing Minor

- GPA 3.94
- Dean's List – Fall 2024, Spring 2025, Fall 2025, Spring 2026

EXPERIENCE

Fidelity Investments – Durham, NC

June-August 2026

Software Engineering Intern

- Created 3 Grafana dashboards for service observability. 2 dashboards with overview statistics for business enablement and debugging insights to assist in production incidents 1 production data observation dashboard to monitor a new launch. Each dashboard had 10-20 data visualizations, each requiring a SQL query and Grafana configuration.
- Provided daily updates on the customer traffic through the migrated functionality for 2 weeks to the team. Monitored 200+ transactions.
- Bundled dashboards into Docker image and checked them into 2 repositories, enabling the distribution of these dashboards to 30+ engineers.
- Wrote detailed documentation for set up, future expansion, and instructions for all 3 dashboards.
- Updated 3 web clients, and wrote corresponding test cases, to resolve token filter error handling bug.

North Carolina Football Club – Raleigh, NC

June-August 2024, June-August 2025

Summer Coach

- Coached 6 groups of 15 kids throughout the summer, creating engaging drills to improve defensive and technical skills
- Ran 5 days of training sessions with 20 girls ages 11-16
- Created and led drills to improve offensive and defensive soccer skills, providing individual feedback as needed
